

MEMO TO: City Council

FROM: John Marchione, Mayor

DATE: August 20, 2013

**SUBJECT: COMMUTE TRIP REDUCTION (CTR) IMPLEMENTATION
CONTRACT WITH WASHINGTON STATE DEPARTMENT OF
TRANSPORTATION (WSDOT)**

I. RECOMMENDED ACTION

Authorize the City of Redmond to execute the current interlocal agreement with the Washington State Department of Transportation (WSDOT) to receive state funds to administer the Commute Trip Reduction (CTR) law through June 30, 2015. This agreement is for \$194,346.

II. DEPARTMENT CONTACT PERSONS

Rob Odle, Director, Planning and Community Development, 425-556-2417
Erika Vandenbrande, Manager, Economic Development/TDM, 425-556-2457
Kim Keeling, Transportation Programs Administrator, 425-556-2451

III. DESCRIPTION/BACKGROUND

The City of Redmond is required to implement the Commute Trip Reduction Efficiency Act. The law requires each city that has a “major employer” (i.e., an employer with over 100 employees who arrive between 6:00 a.m. and 9:00 a.m.) located in a county whose population is at least 150,000, to ensure that each of the “major employers” develops and implements a commute trip reduction plan.

The CTR law also requires the State to provide technical assistance grants to CTR-affected counties and cities to reimburse expenses associated with employee plan review, commute planning and assistance, data collection, and employee promotions. These funds historically have been allocated in proportion to the number of major employers in each county. The Washington State Department of Transportation (WSDOT) distributes these funds to the affected cities in proportion to the number of major employers and work sites in each city. There are currently 50 major work sites located within the city. (A work site is a building or cluster with 100 or more employees in a single company. A company may have more than one work site.)

IV. IMPACT

A. Service Delivery: Approval of this contract will bring state funds of \$194,346 to the City for the period July 1, 2013, through June 30, 2015, for administration and implementation of the CTR Ordinance.

B. Fiscal. No other funds have been budgeted by the City to support compliance with the state law. The funds are used to ensure employer compliance with the CTR law and to provide services and incentives to help employers comply.

V. ALTERNATIVES

A. Approve CTR Interlocal Agreement. This proposed interlocal agreement was developed to meet the needs of King County Metro and 20 CTR-affected cities. Amendments to this agreement should be undertaken only if significant changes are needed, as a continuing discussion of amendments will delay Redmond's ability to receive state CTR funds and implement the state law.

B. Do not approve CTR Interlocal Agreement. The State CTR Act requires that Redmond proceed with implementation. Failure to approve the interlocal agreement will result in a lack of funds to support compliance.

VI. TIME CONSTRAINTS

These funds are assumed as part of the City's 2013-2014 budget. For the portion of funds that extend through June 2014, we will include that amount in our budget proposal. Timely adoption of this interlocal agreement is necessary to receive funds to enable the City to proceed.

NOW, THEREFORE, in consideration of terms, conditions, performances and mutual covenants herein set forth and the attached Exhibit 1, "Project Scope of Work" and Exhibit 2, "Project Progress Reports", which are both incorporated and made a part of this AGREEMENT, IT IS MUTUALLY AGREED AS FOLLOWS:

**Section 1
Purpose of Agreement**

The purpose of this AGREEMENT is for WSDOT to provide funding to the CONTRACTOR to be used solely for activities undertaken to implement a pilot alternate plan (hereinafter "alternate plan") which will field-test the feasibility of a CTR Board-approved experimental approach to accomplish the policy purposes of RCW 70.94.521, hereinafter known as the "Project."

**Section 2
Scope of Work**

The CONTRACTOR agrees to perform all designated tasks of the Project under this AGREEMENT as described in Exhibit 1, "Project Scope of Work," which by this reference is incorporated into this AGREEMENT as if fully set forth herein.

**Section 3
Term of Project**

The CONTRACTOR shall commence, perform and complete the Project within the time defined in the caption space header above titled "Term of Project" of this AGREEMENT regardless of the date of execution of this AGREEMENT, unless terminated as provided herein. The caption space header above entitled "Term of Project" and all caption space headers above are by this reference incorporated into this AGREEMENT as if fully set forth herein.

**Section 4
Project Costs**

The total reimbursable cost to accomplish the Project Scope of Work shall not exceed the "State Funds" detailed in the caption space header above titled "Project Costs." The CONTRACTOR agrees to expend eligible "State Funds" together with any "Contractor Funds" identified above in the caption space header "Project Costs," in an amount sufficient to complete the Project as detailed in Exhibit 1, "Project Scope of Work." If at any time the CONTRACTOR becomes aware that the cost which it expects to incur in the performance of this AGREEMENT will differ from the amount indicated in the

caption space titled "Project Costs" above, the CONTRACTOR shall notify WSDOT in writing within three (3) business days of making that determination.

Section 5 Reimbursement and Payment

A. Payment will be made with State Funds by WSDOT on a reimbursable basis for actual costs and expenditures incurred while performing eligible direct and related indirect Project work during the Project period provided that payment is subject to the submission to and approval by WSDOT of properly prepared invoices that substantiate the costs and expenses submitted by CONTRACTOR for reimbursement and that are accompanied by progress reports and financial summaries as required in Section 7 – Progress Reports. The CONTRACTOR must submit an invoice using either State of Washington Form A-19 (Invoice Voucher), a copy of which is attached hereto as Exhibit 3 and by this reference incorporated into this AGREEMENT or a format approved by WSDOT. Such invoices may be submitted no more than once per month and no less than once per year, during the course of this AGREEMENT. If approved by WSDOT, said invoices shall be paid by WSDOT within thirty (30) days of receipt of the invoice.

B. The CONTRACTOR shall submit an invoice by July 15, 2014, for any unreimbursed eligible expenditures incurred between July 1, 2013, and June 30, 2014. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the charges to be billed so WSDOT may accrue the expenditures in the proper fiscal period. Any subsequent reimbursement request submitted will be limited to the amount accrued as set forth in this section. The CONTRACTOR shall submit a final invoice to WSDOT no later than July 15, 2015. Any invoice received after July 15, 2015 will not be eligible for reimbursement.

Section 6 Project Records

The CONTRACTOR agrees to establish and maintain for the Project, either a separate set of accounts or, accounts within the framework of an established accounting system in order to sufficiently and properly reflect all eligible direct and related indirect Project costs incurred in the performance of this AGREEMENT. Such accounts are referred to herein collectively as the "Project Account." All costs claimed against the Project Account must be supported by properly executed payrolls, time records, invoices, contracts, and payment vouchers evidencing in sufficient detail the nature and propriety of the costs claimed.

Section 7 Progress Reports

The CONTRACTOR shall submit quarterly progress reports to WSDOT so that WSDOT may adequately and accurately assess the progress made under the terms of this AGREEMENT. The progress reports shall be prepared as prescribed by WSDOT on the forms provided in Exhibit 2, "Project Progress Report" and/or as provided and modified by WSDOT staff. The CONTRACTOR shall provide a final progress report, as provided by WSDOT staff. Progress reports shall be submitted to WSDOT no later than forty-five (45) days from the end of each calendar quarter.

Section 8
Audits, Inspections, and Records Retention

WSDOT, the State Auditor, and any of their representatives, shall have full access to and the right to examine, during normal business hours and as often as they deem necessary, all of the CONTRACTOR's records with respect to all matters covered by this AGREEMENT. Such representatives shall be permitted to audit, examine and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, and other matters covered by this AGREEMENT. In order to facilitate any audits and inspections, the CONTRACTOR shall retain all documents, papers, accounting records, and other materials pertaining to this AGREEMENT for six (6) years from the date of completion of the Project or the Project final payment date. However, in case of audit or litigation extending past that six (6) years period, then the CONTRACTOR must retain all records until the audit or litigation is completed. The CONTRACTOR shall be responsible to assure that the CONTRACTOR and any subcontractors of CONTRACTOR comply with the provisions of this section and provide, WSDOT, the State Auditor, and any of their representatives, access to such records within the scope of this AGREEMENT.

Section 9
Agreement Modifications

A. Either PARTY may request changes to this AGREEMENT, including changes in the Scope of Project. Such changes that are mutually agreed upon shall be incorporated as written amendments to this AGREEMENT. No variation or alteration of the terms of this AGREEMENT shall be valid unless made in writing and signed by authorized representatives of the PARTIES hereto.

B. If an increase in funding by the funding source augments the CONTRACTOR's allocation of funding under this AGREEMENT, the CONTRACTOR and WSDOT agree to enter into an amendment to this AGREEMENT, providing for an appropriate change in the Scope of Project and/or the Project Cost in order to reflect any such increase in funding.

C. If a reduction of funding by the funding source reduces the CONTRACTOR's allocation of funding under this AGREEMENT, the CONTRACTOR and WSDOT agree to enter into an amendment to this AGREEMENT providing for an appropriate change in the Scope of Project and/or the Project Cost in order to reflect any such reduction of funding.

Section 10
Recapture Provision

In the event that the CONTRACTOR fails to expend State Funds in accordance with state law and/or the provisions of this AGREEMENT, WSDOT reserves the right to recapture State Funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for a period not to exceed three (3) years following termination or expiration of this AGREEMENT. If the PARTIES cannot resolve by mutual agreement, a dispute arising from the performance of this AGREEMENT the CONTRACTOR may submit a written detailed description of the dispute to the Public Transportation Division's Statewide Transportation Demand Management Programs Manager or the Statewide Transportation Demand Management Programs Manager's designee who will issue a written decision within ten calendar (10) days of receipt of the written description of the dispute. This decision shall be final and conclusive unless within ten (10) days from the date of CONTRACTOR's receipt of WSDOT's written decision, the CONTRACTOR mails or otherwise furnishes a written appeal to the Director of the Public Transportation Division or the Director's designee. In connection with any such appeal the CONTRACTOR shall be afforded an opportunity to offer material in support of its position. The CONTRACTOR's appeal shall be decided in writing within thirty (30) days of receipt of the appeal by the Director of the Public Transportation Division or the Director's designee. The decision shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

B. **Performance During Dispute.** Unless otherwise directed by WSDOT, the CONTRACTOR shall continue performance under this AGREEMENT while matters in dispute are being resolved.

Section 12

WSDOT, at its sole discretion, may suspend or terminate this AGREEMENT in whole, or in part, for the reasons following:

A. The CONTRACTOR materially breaches, or fails to perform any of the requirements of this AGREEMENT and after fourteen (14) days written notice, has failed to cure the condition(s) causing that breach. Conditions of breach may include, but are not limited to:

1. Any action taken by the CONTRACTOR without WSDOT approval, which under the provisions of this AGREEMENT, required WSDOT approval;
2. Failure to perform in the manner called for under this AGREEMENT; or
3. Failure to comply with any provision of this AGREEMENT;

B. C. The requisite State funding is reduced or becomes unavailable through failure of appropriation or otherwise;

D. WSDOT determines that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds; or

E. WSDOT determines that suspension or termination is in the best interests of the State.

The CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, at any time by written notice to WSDOT. Written notification must set forth the reasons for such termination, the effective date, and in case of partial termination, the portion to be terminated. However, in the case of partial termination, if WSDOT determines that the

remaining portion of the award will not accomplish the purposes for which the award was made WSDOT may terminate the award in its entirety.

If this AGREEMENT is terminated by the CONTRACTOR, or by WSDOT under subsections B, C, D, and/or E of this Section, the CONTRACTOR may be reimbursed only for actual, eligible direct and related indirect expenses incurred prior to the date of termination, and then only to the extent of awarded funds. If this AGREEMENT is terminated under subsection A of this Section, the WSDOT shall not be obligated to provide any additional reimbursement, and WSDOT shall retain all rights to seek recapture or damages from the CONTRACTOR.

Section 13 Forbearance by WSDOT Not a Waiver

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

Section 14 Waiver

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach, or default, and shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default. In no event shall acceptance of any WSDOT payment of grant funds by the CONTRACTOR constitute or be construed as a waiver by CONTRACTOR of any WSDOT breach, or default which shall in no way impair or prejudice any right or remedy available to CONTRACTOR with respect to any breach or default.

Section 15 WSDOT Advice

The CONTRACTOR bears complete responsibility for the administration and success of the work as it is defined in this AGREEMENT and any amendments thereto. Although the CONTRACTOR may seek the advice of WSDOT, the offering of WSDOT advice shall not modify the CONTRACTOR's rights and obligations under this AGREEMENT and WSDOT shall not be held liable for any advice offered to the CONTRACTOR.

Section 16 Limitation of Liability and Indemnification

The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to this AGREEMENT and/or the CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers arising out of, in connection with or incident to the negligent acts or omissions of the CONTRACTOR, its agents, employees and officers. Provided, however, that nothing herein shall require the CONTRACTOR to indemnify and hold harmless or defend WSDOT, its agents, employees or officers to the extent that claims are caused by the

negligent acts or omissions of WSDOT, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this AGREEMENT.

B. The CONTRACTOR shall be deemed an independent contractor for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

Section 17 Governing Law, Venue, and Process

In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County.

Section 18 Compliance with Laws and Regulations

The CONTRACTOR agrees to abide by all applicable State and Federal laws and regulations, including, but not limited to, those concerning employment, equal opportunity employment, nondiscrimination assurances, Project record keeping necessary to evidence AGREEMENT compliance, and retention of all such records.
