Subject: **Southeast Redmond Neighborhood Plan Update: Self-Guided Tour**

MEETING PURPOSE – FEBRUARY 12, 2014

The Planning Commission's study session on February 12th will initiate the formal review process for the Southeast Redmond neighborhood plan update. To help the Commission become familiar with this neighborhood, staff provided a guided tour on January 14, 2013. Commissioners Biethan, Miller, Chardorkar, and O'Hara attended this event. As follow up, staff is providing a self-guided version of the tour documents.

TOUR INFORMATION

The fifteen locations identified in Attachment A provide an overall perspective regarding the variety of land use and character of the Southeast Redmond neighborhood. Some of the locations support parking for more detailed observation while others only support drive-by viewing. Drive-by only locations are also indicated in Attachment A.

In preparation for your February 12th meeting, Commissioners are asked to visit Southeast Redmond as described in the suggested self-guided tour.
