**Business License Fee Schedule**

Minimum license fee is \$112.00.  
 Minimum fee of \$112.00 covers up to 1,920 hours worked in Redmond in the calendar year.  
 Fee is based on total number of hours worked in Redmond by all owners, managers, employees and family members.

**Employee Definition:** Any person who performs work, labor, or services for a business and is on the business payroll. The term “employee” also includes all full-time, part-time, and temporary employees or workers on the business payroll and self-employed persons, sole proprietors, owners, managers, partners, any family members working at the business, and any officers, agents, or personal representatives acting in a fiduciary capacity.

Use either the “Reporting by Hours” method or the “Reporting by FTE” method to calculate the fee due.

**A. Reporting by Hours**

**Determining the total number of hours employees worked within the city:**

Note: Employers starting business in Redmond this year will need to estimate the number of employee hours to be worked from the date business started (will start) in Redmond until the end of the current calendar year. Business Licenses expire 12/31 of each year.

- Annual employee hours may be calculated based on the sum of employee hours on the four quarterly reports submitted to the Washington State Department of Labor and Industries for the previous year.
- The work figure used by L&I is 1,920 hours per year for a full-time employee.
- In addition to the annual employee hours reported on the L&I report, you must include employee hours for sole proprietors, owners, managers, partners, any family members working at the business, and any officers, agents or personal representatives acting in a fiduciary capacity.
- It will be the responsibility of the employer to determine the number of hours worked within the city.

**Calculating the fee due (see box A at bottom of page):**

- Enter the total number of employee hours and multiply by \$.058333
- The minimum fee for any license is \$112.00, which covers up to 1,920 hours worked in the calendar year. If the amount calculated is less than \$112.00 enter \$112.00 as “fee due”. If the amount calculated is greater than \$112.00 enter that amount as “fee due”.

OR

**B. Reporting by FTE**

**Determining the number of full-time equivalent employees in Redmond:**

Note: Employers starting business in Redmond this year will need to estimate the number of employees who will work from the date business started (will start) in Redmond until the end of the current calendar year. Business Licenses expire 12/31 of each year.

- The number of employees shall be based on the sum of the full-time equivalent employees in the four quarterly reports submitted to the Washington State Department of Labor and Industries for the previous year, divided by four.
- In addition to the employees reported on the L&I report, you must include sole proprietors, owners, managers, partners, any family members working at the business, and any officers, agents or personal representatives acting in a fiduciary capacity in the employee calculation.
- For businesses with employees who work less than 1,920 hours, the total number of hours worked by all such employees during the four quarters of the previous year shall be added together and divided by 1,920 to determine the full-time employee equivalency.
- Businesses that did not file quarterly reports with the Washington State Dept. of Labor and Industries shall determine the number of full-time equivalent employees.

**Calculating the fee due (see box B at bottom of page):**

- Enter the total number of full-time equivalent employees and multiply by \$112.00 to determine the total amount due.
- The minimum fee for any license is \$112.00, which covers up to 1 full-time equivalent employee for the calendar year. If the amount calculated is less than \$112.00 enter \$112.00 as “fee due”. If the amount calculated is greater than \$112.00 enter that amount as “fee due”.

Minimum Fee	A. Reporting by Hours Method
<b>\$112.00</b> <b>(1,920 hrs)</b>	$\underline{\hspace{2cm}} \times \$0.058333 = \$ \underline{\hspace{2cm}}$ No. of employee hours <span style="float: right;"><b>Fee due</b></span> <i>(if less than 1,920 hrs, pay \$112.00 minimum fee)</i>

OR

B. Reporting by FTE Method
$\underline{\hspace{2cm}} \times \$112.00 = \$ \underline{\hspace{2cm}}$ No. of full-time equivalent employees <span style="float: right;"><b>Fee due</b></span> <i>(if 1 FTE or less, pay \$112.00 minimum fee)</i>
