D21

Native or Low Maintenance Canopy Trees

Native Shrubs and Groundcovers

Water Loving Aquatic Reeds, Grasses, and Shrubs in Depressed Planting Areas in Curb Extensions and Along Streets

## Furniture

Unobtrusive, spare and elegant elements with little ornamentation. Stainless steel or galvanized metal, glass canopies, shelters and other accent elements.

D34

Pedestrian-Scaled Street Lighting

Gray or Stainless Steel Street Furnishings

Glass Shelters and Accent Elements

## Paving

Neutral color horizontal surfaces and low walls. Forms and shadows create variety and interest; contrast with deep green and bold blocks of color in the landscape.
