

THIRD AMENDMENT TO INTERLOCAL COOPERATION AGREEMENT
BETWEEN KING COUNTY AND THE CITY OF REDMOND FOR DEVELOPMENT OF
REDMOND WATERSHED TRAILS

RECITALS

- A. On November 10, 1992, King County, a political subdivision of the State of Washington, and the City of Redmond ("Redmond") entered into an Interlocal Cooperation Agreement for Development of the Redmond Watershed Trails ("Agreement").
- B. The Agreement was amended in 2001 to reflect a renegotiated annual contribution from King County to Redmond for the maintenance of the trail and support system within the Redmond Watershed Property.
- C. The 2001 amendment provided for a proportional reduction in King County's annual payment to Redmond in the event that new regional connecting trails were developed outside the Redmond Watershed Property.
- D. In 2005, the Agreement was amended a second time to provide for King County's annual payment to Redmond for the years 2005 to 2009. During this time, King County developed approximately two miles of new regional connecting trail running north-south through the Trilogy neighborhood of Redmond Ridge.
- E. In order to recognize the above and to provide for the ongoing responsibilities of the parties with respect to the maintenance of trails within the Redmond Watershed Property, Redmond and King County agree to further amend the Agreement and subsequent amendments as provided below.

NOW, THEREFORE, THE CITY OF REDMOND AND KING COUNTY agree as follows:

- I. Maintenance. Subparagraphs 5(A) and (B) of the Agreement, the first Amendment, and the second Amendment to the Agreement are hereby amended to read as follows:

5. Redmond's Obligation to Maintain, Operate and Administer

- A. King County Ordinance No. 9071 obligates King County to maintain, operate and administer the recreational trail and support system until such time as the Redmond Watershed Property has contiguous boundaries with Redmond or some other city. King County has requested that this obligation shall cease if ownership of the Redmond Watershed property is altered in any way. King County has also requested that Redmond assume the obligation to maintain, operate and administer the recreational trail and support system upon completion of construction. Redmond hereby agrees to these requests. King County's maintenance, operation, and administration obligations shall cease if ownership of the Redmond Watershed property is altered in any way. Redmond shall also assume sole responsibility for the maintenance, operation, and administration of the recreational trail and support

system upon completion of construction. The parties agree that King County will pay Redmond the sum of ~~Twenty Six Thousand~~ Two Hundred Dollars (~~\$20,000~~) (\$6,200) annually, for a five-year period, beginning in the year ~~2005~~ 2010. Payment will occur within the first quarter of each year according to the payment schedule below. In the future, if King County should relocate ~~either the North-South or East-West~~ regional connecting trails to a new location outside the Redmond Watershed Property, the annual payment amount shall be reduced. The reduction in the annual payment amount shall be proportional to the reduction in the number of trail miles within the Redmond Watershed Property serving as regional connecting trails in the King County Regional Trail System. The reduction in the annual payment amount shall be prorated to reflect the date that a new ~~North-South or East-West~~ regional connecting trail is opened to the public. The King County Parks logo shall be displayed on all signage at regional trail and support facility sites located within the Redmond Watershed Property.

- B. ~~Not later than May 31, 2009~~ May 31, 2014, the parties shall meet to negotiate an agreement for Redmond's maintenance, operation and administration of the recreational trail and support system for a five (5) year period commencing ~~January 4, 2010~~ January 1, 2015 and ending ~~December 31, 2014~~ December 31, 2019. The agreement shall provide for King County's payment to Redmond of annual amounts to be used by Redmond for maintenance, operation, and administration of the trail and support system. In the event that the parties cannot reach agreement by ~~January 4, 2010~~ January 1, 2015, the parties shall submit the matter to binding arbitration as provided in this Paragraph. The matter shall be arbitrated by a panel of three (3) impartial arbitrators according to the rules of the American Arbitration Association. Each party shall select one member of the arbitration panel and the two arbitrators so chosen shall select the third member. Each member of the panel shall have expertise in park maintenance, administration and operation. The task of the arbitration panel shall be to determine the cost of maintaining, administering and operating the King County Regional Connecting trail and support systems constructed under the approved master plan to the standards then applicable to comparable trails and recreational uses in unincorporated King County for the

period from ~~January 1, 2010~~ January 1, 2015 to ~~December 31, 2014~~ December 31, 2019. The decision of the arbitration panel shall be final and binding upon the parties and the amounts so determined shall be the amounts to be paid by King County to Redmond for the period indicated. Each party shall be solely responsible for compensation of the arbitrator selected by it, and the remaining costs of the arbitration, including, but not limited to, the compensation of the third arbitrator, shall be split equally between the parties.
