MEETING AGENDA

- 1. **2012-2017 Transportation Improvement Program Update:** The Committee will be briefed on this year's update of the 6-Year TIP. Information will be provided on projects that are being removed because they are complete, updated with new information and added to this year's 6-Year TIP.
- 2. King County Bike Share Planning Project: Chester Knapp, City of Redmond, will update the Committee on what is going on with a King County led effort to explore the possibility of bringing bike sharing to various locations in King County. Redmond is one of the candidate locations King County is studying.
