MOTION: Councilmember Cole moved to continue the public hearing to a date certain of December 6, 2011. The motion was seconded by Councilmember Margeson.

VOTE: The motion passed without objection. (7 - 0)

STAFF REPORTS

- a. AM No. 11-209: Small Animal Husbandry Policies and Codes, a Component of the 2010-2011 Periodic Update of Redmond's Comprehensive Plan

Ms. Sarah Stiteler, Senior Planner, provided a report to the Mayor and Members of the Council regarding AM No. 11-209. She advised that study sessions on the matter are currently scheduled for November 7 and 22, 2011. Comments and questions from the Council are requested to be submitted no later than October 31, 2011.

Councilmember Stilin advised he would like staff to address a licensing fee to support implementation of the program and the cost of clean-up regarding chicken farms.

Councilmember Vache noted that he would also like to discuss enforcement in more depth.

Councilmember Allen stated that this was also discussed at the Planning Commission. She would like information regarding how other jurisdictions address enforcement in this regard, as well as the establishment of licensing fees.

- b. AM No. 11-210: Redmond 2010-2011 Periodic Update of the Comprehensive Plan (L100259) Introduction and Reconciliation Items

Ms. Sarah Stiteler provided a staff report to the Mayor and Members of the Council regarding AM No. 11-210. She noted that continued conversation on the matter is scheduled for a November 7, 2011, study session. Comments and questions from the Council are requested to be submitted no later than October 31, 2011.

OMBUDSMAN REPORT

Councilmember Allen reported receiving citizen contacts regarding the following:

- the City's traffic safety pilot program; and
- opposition to increasing the allotment of chickens allowed on City lots due to noise, smell, and other considerations.

Councilmember Myers reported receiving citizen contacts regarding traffic back-up due to camera presence south-bound SR202 to SR520. He noted that improvements were made to the SR202 access, which reduced traffic back-up in the evenings.

October 18, 2011

Councilmember Stilin reported receiving citizen contacts regarding the following:

- traffic speeding through the QFC parking lot near Redmond Way and 160<sup>th</sup> Avenue NE; he has looked into this and has been advised this is a private property concern; and
- wetland removal and removal of the exit from the Washington Cathedral property to 124th Avenue due to the development, and the citizen's sentiments that the City did not work amicably with the church regarding the development.

Public Works Director Bill Campbell addressed the matter of development, noting the City was in good communication with the church regarding the wetland and the road access. He noted the access was closed as it was a safety issue, and an intersection was moved, and right lane added to account for the traffic pattern. Mr. Campbell noted that he would follow up further with the church to address any concerns they may have.
