

Redmond Pedestrian and Bicycle Advisory Committee

April 9, 2012 6:30 PM City Hall Trestle Room

MEETING AGENDA

1. **Derby Days 2012:** Lisa Rhodes is the City's Recreation Program Manager and is responsible for coordinating Derby Days. She will be joined by Jill Smith from the TDM and Economic Development Group, which currently promotes sustainable transportation as part of the Impact Eco-Fair at Derby Days. They will present information about this year's Redmond Derby Days, which will take place on Friday, July 13 to Sunday, July 15. They will address what has been done at past Derby Days, constraints around adding new items to the event and potential opportunities for the Committee to become more involved to promote active transportation, including with the subject of electric bicycles. This will be the first step in identifying specific ways that the Committee will take a more active role in Derby Days. In order to help to promote biking and walking as part of the event and as an important part of the community all year long.
2. **City Council Study Session:** Staff and the Committee will discuss agenda items for the May 22, 2012 Council Study Session. No more than four subjects will be identified for discussion along with selecting volunteers to present the subjects. The following subjects the Committee has been working were suggested by Chair Tomac and staff:
 - PBAC recognition and community outreach by the Committee, Cascade Bicycle Club and Feet First
 - Active Transportation chapter of the TMP
 - Wayfinding
 - Data collection
 - Future work items

It will also be important to leave plenty of time for the Committee to hear from City Council and get their thoughts on what the Committee could do to get more people walking and biking.

3. **Transportation Master Plan (TMP) Update:** Staff will continue our ongoing updates of the Committee on the current status of the TMP update. There will be a brief presentation on how the comments from the last PBAC will be addressed in the Active Transportation Chapter. Staff will also provide an update on the schedule for completion of the TMP update.

4. **Updates:**

- a. Bicycle Guide Map
- b. Project Updates

5. **Other Business:** Please bring any additional pedestrian and bicycle issues to share and discuss.

Next meeting will be on May 14, 2012 – Please let me know if there are any items you would like to see on the agenda.
