Public Comment: There was no public comment.

September 10 Meeting Summary: Approved

Updates by Commissioners: None

Updates by Staff:

The Redmond City Council members collected over 2,300 pounds of food and over \$200 at the food drive on 9/22. No word yet on Bloomberg grant – will come any day now. Colleen meeting with provider on homeless outreach service options next week. Please spread the word about the commission opening.

Old Business:

- Debrief of 9/25 Joint Study Session. Consensus was that Steve did a fantastic job, set just the right tone. Questions from Council were good and reasonable. There were no questions on allocation decisions.

New Business:

- Jon Morrison Winters, new Mobility Coordinator at Hopelink presented on the Eastside Easy Rider Collaborative. Zach Munsey presented on Neighborhood Conversation Cafés. They also announced possible grant funding for and Eastside Shuttle Services in Bellevue and Redmond.
- Ken Wong, City of Redmond Parks and Recreation, presented on programs, needs and stigma experienced by many teens and seniors. Also discussed youth member for commission
- Future work for the commission will include 2013 work plan, periodic updates from agencies and collaboration with other community groups/organizations.
