SUBJECT: STAFF REPORT: NOTIFICATION OF TEMPORARY CLOSURE OF BROWN STREET BETWEEN REDMOND WAY AND CLEVELAND STREET FROM 2:00PM FRIDAY, MARCH 22 TO 8:00PM SATURDAY, MARCH 23, 2013

In accordance with the Redmond Municipal Code section 10.24.047 "Procedure for temporary closure or restriction," I am notifying the City Council of a temporary closure for through traffic on Brown Street between Redmond Way and Cleveland Street.

Brown Street is low volume roadway located between Redmond Way and Cleveland Street, just east of 161st Avenue N.E. The purpose of the road closure is to accommodate food vendors and musical entertainment for the City sponsored "Festival of Color" event. This event is part of the City's 2013 Art Season Program and is funded by the Arts Commission and organized by the Vedic Cultural Center.

City staff has determined that a full closure is the safest way to accommodate this public event.

Staff will make appropriate notifications to affected properties and publish notice for three days prior to closure. If this closure is acceptable to Council then no further action is required.
